

Insect Adding (Missing Addend)

Cut out the boxes on the dotted lines.

Those sneaky insects are stealing numbers again. Balance the equation by giving the correct stolen number in the box.

$1 + \boxed{} = 8$

$2 + \boxed{} = 4$

$4 + \boxed{} = 9$

$3 + \boxed{} = 6$

$7 + \boxed{} = 8$

$1 + \boxed{} = 5$
