

Time to Judge

You get to be a judge. After each round, colour the number of stars for each challenger according to how well you think they chopped. Then write the number in the box next to the stars. At the end, add up the scores and send your results to your teacher.

* Before you send it in, circle all the "ch"s that you see!

Challenger 1
Mrs. Veenendaal

Challenger 2
Mrs. Barthel
